

Office of Foreign Assets Control, Treasury

§ 550.568

Licensing Section, Office of Foreign Assets Control, Department of the Treasury, Washington, DC 20220, Telephone: (202) 376-0236.

Registration under this paragraph is deemed complete upon receipt at one of the above addresses of a letter, signed by or on behalf of each eligible U.S. citizen or permanent resident alien being registered, containing the following information:

(i) The name and the date and place of birth of the U.S. citizen(s) or permanent resident alien(s) registering (the "registrant"), including the name on which the registrant's most recent U.S. passport or Alien Registration Receipt Card was issued, if different;

(ii) If applicable, the place and date of the registrant's naturalization as a U.S. citizen, and the number of the registrant's naturalization certificate, *or*, for permanent resident aliens, the Alien Registration Number of the registrant's Alien Registration Receipt Card;

(iii) The name, relationship, and address of the Libyan national with whom the registrant resides as an immediate family member and whose relationship forms the basis for the registrant's eligibility under this general license; and

(iv) The number and issue date of the registrant's current U.S. passport, and the most recent date on which the passport was validated by the U.S. Department of State for travel to Libya; *or*, if the registrant does not hold a current U.S. passport, the country, issue date, and number of the registrant's current passport or other travel document, if any.

(2) The lack of validation of a registrant's U.S. passport for travel to Libya does not affect eligibility for the benefits of the general license set forth in this section for persons who otherwise qualify. Current information on travel document status as requested in paragraph (d)(1) of this section must, however, be furnished to register a registrant's eligibility for this license.

(e) *Other requirements.* The general license set forth in this section shall not operate to relieve any person licensed hereunder from compliance with any other U.S. legal requirements applica-

ble to the transactions authorized pursuant to paragraph (a) of this section.

§ 550.568 Certain standby letters of credit and performance bonds.

(a) Notwithstanding any other provision of law, payment into a blocked account in a domestic bank by an issuing or confirming bank under a standby letter of credit in favor of a Libyan entity is prohibited by § 550.209 and not authorized, notwithstanding the provisions of § 550.511, if either (1) a specific license has been issued pursuant to the provisions of paragraph (b) of this section or (2) ten business days have not expired after notice to the account party pursuant to paragraph (b) of this section.

(b) Whenever an issuing or confirming bank shall receive such demand for payment under such a standby letter of credit, it shall promptly notify the account party. The account party may then apply within five business days for a specific license authorizing the account party to establish a blocked account on its books in the name of the Libyan entity in the amount payable under the credit, in lieu of payment by the issuing or confirming bank into a blocked account and reimbursement therefor by the account party. Nothing in this section relieves any such bank or such account party from giving any notice of defense against payment or reimbursement that is required by applicable law.

(c) Where there is outstanding a demand for payment under a standby letter of credit, and the issuing or confirming bank has been enjoined from making payment, upon removal of the injunction, the account party may apply for a specific license for the same purpose and in the same manner as that set forth in paragraph (b) of this section. The issuing or confirming bank shall not make payment under the standby letter of credit unless (1) ten business days have expired since the bank has received notice of the removal of the injunction and (2) a specific license issued to the account party pursuant to the provisions of this paragraph has not been presented to the bank.

(d) If necessary to assure the availability of the funds blocked, the Secretary may at any time require the payment of the amounts due under any letter of credit described in paragraph (a) of this section into a blocked account in a domestic bank or the supplying of any form of security deemed necessary.

(e) Nothing in this section precludes the account party on any standby letter of credit or any other person from at any time contesting the legality of the demand from Libyan entity or from raising any other legal defense to payment under the standby letter of credit.

(f) This section does not affect the obligation of the various parties of the instruments covered by this section if the instruments and payments thereunder are subsequently unblocked.

(g) For the purposes of this section,

(1) The term *standby letter of credit* shall mean a letter of credit securing performance of, or repayment of any advance payments or deposits under, a contract with the Government of Libya, or any similar obligation in the nature of a performance bond; and

(2) The term *account party* shall mean the person for whose account the standby letter of credit is opened.

(h) The regulations do not authorize any U.S. person to reimburse a non-U.S. bank for payment to the Government of Libya under a standby letter of credit, except by payments into a blocked account in accordance with § 550.511 or paragraph (b) or (c) of this section.

(i) A person receiving a specific license under paragraph (b) or (c) of this section shall certify to the Office of Foreign Assets Control within five business days after receipt of that license that it has established the blocked account on its books as provided for in those paragraphs. However, in appropriate cases, this time period may be extended upon application to the Office of Foreign Assets Control when the account party has filed a petition with an appropriate court seeking a judicial order barring payment by the issuing or confirming bank.

(j) The extension or renewal of a standby letter of credit is authorized.

§ 550.569 Commercial sales and exportation of agricultural commodities, medicine, and medical devices.

(a) *One-year license requirement.* The exportation of agricultural commodities (including bulk agricultural commodities listed in appendix A to this part 550), medicine, or medical devices to the Government of Libya, any entity in Libya, individuals in Libya, or persons in third countries purchasing specifically for resale to any of the foregoing, shall only be made pursuant to a one-year license issued by the United States Department of the Treasury, Office of Foreign Assets Control, for contracts entered into during the one-year period of the license and shipped within the 12-month period beginning on the date of the signing of the contract. No license will be granted for the exportation of agricultural commodities, medicine, or medical equipment to any entity or individual in Libya promoting international terrorism. Executory contracts entered into pursuant to paragraph (b)(2) of this section prior to the issuance of the one-year license described in this paragraph shall be deemed to have been signed on the date of issuance of that one-year license (and, therefore, the exporter is authorized to make shipments under that contract within the 12-month period beginning on the date of issuance of the one-year license).

(b) *General license for arrangement of exportation of covered products.* (1) The making of shipping arrangements, cargo inspection, obtaining of insurance, and arrangement of financing (consistent with § 550.571) for the exportation of agricultural commodities, medicine, and medical devices to the Government of Libya, entities in Libya, individuals in Libya, or persons in third countries purchasing specifically for resale to any of the foregoing, is authorized.

(2) If desired, entry into executory contracts (including executory pro forma invoices, agreements in principle, or executory offers capable of acceptance such as bids in response to public tenders) for the exportation of agricultural commodities, medicine, and medical devices to the Government of Libya, entities in Libya, individuals in Libya, or persons in third countries
